

THE BEST OF BOTH WORLDS:

Vida de Mar is located right on the beach in quiet, secluded Dever's Bay on the Southwest side of St. John. Just minutes from town, shopping, and St. John's famous North Shore white sand beaches — one of the best things about Vida de Mar is the location!

Pool Deck

The large pool and spacious pool deck with outdoor whirl-pool spa offers dramatic views of French Cap, Little St. James, St. Thomas and beautiful sunsets. An outdoor speaker system, al fresco dining area and plenty of loungers make the deck a favorite place to hang out and relax.

Beach

Enjoy the private 800-foot part sand, part pebble beach with some of the best snorkeling and diving on St. John just steps from your door. Read in our hammock, take a swim, or simply sip a glass of wine and watch the sunset...
